* Phones not listed have not yet been tested. Please visit your local Authorized Alpine Dealer to verify compatibility of your phone.
* If an echo is present, lower the volume on the Head Unit, or reposition microphone further away from speakers if necessary.
* During a call, the volume is independent from source volume.
* Please verify in call volume setting on your phone, this can affect Bluetooth volume on some phones.
* For instruction on how to pair to the KCE-300BT from your phone, please refer to your phone's owners manual.
* Display of Phonebook, Received Calls, Missed Calls and Dialed Calls varies from phone to phone and by your service provider. Please visit your local Authorized Alpine Dealer to verify compatibility of your phone.
* Phone syncronization speed varies from phone to phone.
* Phone syncronization begins as soon as the pairing process is complete.
* Access to Phonebook, Received Calls, Missed Calls, and Dialed Calls available after phone syncronization is complete.
* 12 Key direct dialing only available on 2007 Alpine AV head units.
